Strictly speaking an Association can take steps for election after it is recognised and steps taken prior to it should not be validated.

In the case of Planters Associations, there is one circumstance which takes away the force of the above view.

Before recognition the Association was asked to proceed with elections - probably anticipating that it would be recognised or under the impression that recognition was unnecessary. In pursuance of this direction by the Govt. the Assn has taken steps & has gone a long way, I understand, towards the election proceedings.

Other Associations, like the Chamber of Commerce & the Kolar

Serial No.

Mining Board were also instructed by Govt to have completed their elections before Govt recognised them. In their cases, the elections were rattified.

Applying the same principle to the Mandars Boards also, Govt may have to ratify the proceedings in the election held prior to recognition.

It may be said that some members who wish to stand as candidates will be prejudiced. I do not see how they will be if actually they did not chose to stand as candidates when required to do so by the Boards.

With regard to postal voting, the Board was given that privilege last time. It may be considered to have been given for this election also, since I believe, voting papers have already been despatched to voters.

(Sgd) D) 28/25/4

The proceedings hitherto followed were in pursuance of the directions given by Govt before the formal nomination & as such there is no irregularity if they complete the proceedings already commenced. As for postal voting

Bangalore.

With reference to your letter No. 3249, dated 13th January 1927, inviting attention to the Rules of election to the Representative Assembly by the Inamdars' constituency, I have the honour to state that the Association exercised their right on the last occasion in 1924, soon after the general elections were over. The Committee have thought fit to hold the elections accordingly in order to create a chance to the members other than those who might stand for and succeed in the general elections. Arrangements to complete the election in the Inamdars' constituency will therefore be made immediately after the Rural and Urban elections are held and a report submitted therefor. I therefore request your permission to do so.

Furtner the Association being a provincial one, has members throughout all the Taluks of the Province. The Government have therefore been pleased in their letter

No. 1686, dated 5th February 1924 to permit the election through postal voting as it is not possible to hold the election at Bangalore at a meeting of the Inamdars of different Districts. I beg to state that great inconvenience is also felt by allowing members desirous of standing for election to make their applications to the Secretary till two days previous to the date of election as provided in para 2 of Government Notification No. P.3920/L.12-23-18, dated 15th January 1924, inasmuch as the interval is too short for intimating the members the names of candidates standing for election and for obtaining in time their votes recorded. I therefore request that you will be so good as to cause to grant permission to restrict the receipt of such applications from candidates up to a week or ten days previous to the date of election.

With reference to your letter No. 3249, dated 13th January 1927, the managing committee of this Association in their Proceedings, dated 20th February 1927, a copy of which has been sent to the Government with No. 36, dated 4th March 1927, passed resolutions to hold election of the Inamdars' Constituency on the 26th March 1927 by appointing Mr. N.V. Narasimhiengar with associates as Returning Officer. Applicationsfrom candidates standing for election were also called for and a supply of vote lists, etc., were also obtained from the Government Press for being delivered to the members throughout the Province.

2. When the election arrangements were far advanced the Government in their notice Rel. 812-32, dated 4th March 1927, required of the Association to furnish the Government information as to the particulars mentioned in the Rules of recognition in order to have the franchise continued. The Association complied with the directions of Government in their letter No. 34, dated 7th March 1927, and adjourned the ~~xx~~ elections sinedie pending receipt of orders of Government thereon. The Government have now in their Order No. Rel. 1055-64/P.A. 47-27, dated 12th April 1927, again recognised

the franchise to the Association. I now request the favour of being informed whether it is necessary to drop all proceedings and arrangements mentioned in Para 1 above and start fresh proceedings by calling for applications from candidates seeking election, etc, & prepare new list from original or only fix a date for election and continue the election proceedings. Sir,

Attend first early 8-4 23/4

The Inamdars' Association has been previleged to elect a member and the same has been notified in tho Government Gazette of last week; but nothing has been said about the postal votes which we enjoyed last year. I do not know whether the special previlege granted last year will be continued this year also.

Under para 6, of notification No. P.3920-Legis, 12-23-18 dated 13th January, 1924, it is very clear that "the election must be in a meeting" and nothing has been said about the Postal voting.

So, I request that you will be pleased to order whether there is postal voting permitted or the election to be held in the meeting alone.

P.T.O.

~~Yours obediently~~.

I want also to know whether the candidates may send their application signifying their willingness to stand as candidate, 2 days before the date of election or 20 days before the election. If postal voting is permitted this point has to be cleared beforehand. I enquired the Govt to give me a clear idea on these points as the rules are not very clear.

During the period under correspondence (i.e., since - January 1926 to date of correspondence) 6 General Body Meetings and 10 Committee Meetings of the Sabha were held. Within this short period the progress of the Sabha is very satisfactory. The Inspecting authorities of the Education Department are very much satisfied with the progress of the Night School and the question of grant to the said Night School is receiving the - favourable consideration of the Education Department.

Here we take the liberty to mention with pride, that we belong to a race which was for a long time in History the Crown and Glory of India and of Hinduism. Our ascestors, it is recorded came over to Mysore from Northern India and entered the Military services at the time of His Highness Sri Mummadi Krishnaraja Wodayar Bahadoor of Revered memory. Henceforth they have always served the Mysore Throne with their body and soul having fought and distinguished themselves in many a battle and encounter in recognition whereof, some of the families were awarded many - Khillats and Sannads. The irony of fate has reduced this community to such a position as this community is backward in every sense of the term. The Rajaput Upakarini Provincial Maha Sabha has been organised to uplift the community as detailed above and is desirous of having a member of our community in the Legislative Council and Representative Assembly, to work for the right cause

in

in uplifting this community. The present and future generation of the community shall feel highly indebted for this act of help and consideration on the part of the Government.

Urgent

To

A.V. Ramanathan, Esq., B.A.,
Deputy Commissioner,
Lysore District.

Sir,

In enclosing herewith copies of the Memorandum and articles of this Sabha and of the certificate of registrati issued by the Registrar of Joint Stock Companies in Lysore for having registered this Sabha as No. 970 dated 16-12-26 under the Societies Regulation No. III 1904, I beg to state that this Sabha is also registered and recognised as a brar of the Kshatriya Maha Sabha (All India) representing the whole of Lysore State.

OFFICE OF THE DEPUTY COMMISSIONER. No..... 26 MAR 1927 MYSORE DISTRICT.

This Sabha learns that the 'Rajaput Upakarini Provincial Sabha' of Lysore has tried for recognition and to elect a candidate to the Lysore Representative Assembly on behalf of the Rajaput Community.

I beg to state that, that Sabha is not a Communal Sabha because it has as extended the membership to the Communities other than the Rajaputs, such as the Gowda-Brahmins, the Kayasthas, the Khattriyas, the Lalas, and such others who are not Rajaputs and as such they have no right either to elect a candidate on behalf of this Community or claim the same.

This Sabha is a registered and recognised branch of th Kshatriya Maha Sabha (All India) a purely communal Sabha wherein the noble and illustrious Rajaput Ruling Princes

such as His Highness the Maharaja Sahib of Alwar, His Highness the Maharaja of Bikaneer, His Highness the Maharaja of Reeva, His Highness the Maharaja of Sailana, The Rajakumar of Shahapura and others too numerous to mention, are officebearers and are working for the amelioration of this most backward and most neglected Community.

This Sabha is working under the direct guidance of the Kshatriya Maha Sabha (All India). The first and foremost principle of the Kshtriya Maha Sabha (All India) is, that the membership extends only to the members of the Community, i.e. the Rajaputs and others are not allowed membership and even if allowed under special circumstances they have no voice in the management of affairs of the Sabha and they are not allowed to be office bearers. The Kshtriya Prantik Sabha, S.P. M. Rajaputs Reading Room & Brother-hood Mysore is a Communal organisation, of one Community, i.e. the Rajaputs, reestablished, recognised and guided by the Kshatriya Maha Sabha (All India).

I am herein enclosing for your kind information, a copy of the reply, from the Secretary Kshatriya Maha Sabha (All India) Shahapura, to the Secretaries of the Rajaput Upakarini Sabha, Mysore, in reply to their representations and allegations agains the Kshtriya Prantik Sabha, S.P. M. Rajaput Reading Romm & Brother-hood, Mysore which gives you the details. This Sabha was reorganised on 14-1-26 and opened on 4-7-26. It has held 9 Meetings during this period and has about 150 Members. It has maintained the accounts of the Sabha upto-date the enclosed Chart gives you an idea of the present various activities of this Sabha. The S.P. M. Rajaputs Hostle is organised and is anticipating the permission of His Holiness, Sri 108 Sri etc., Maha Swamiji, Rajaguru, Reewa for performing the opening ceremoney of the same.

Under these circumstances I request you to be pleased to recommened the case of this Sabha to the benign Government of Our beloved and illustrious Soverign His Highness the Maharaja Sahib of Mysore, to nominate the President of this Sabha as a

(50

as a Member to the Mysore Representative Assembally on behalf of this minor Community (consisting a population of about 25,000) for which act of sympathy and generosity, I, on behalf of this Sabha pray Almighty to shower his choices and blessings on you.

I beg of you to be pleased to favour me with an early reply of the kind and generous support rendered by you.

I beg to remain,
Sir,
Your most obedient servant.

Dear Sirs,

With reference to your letter dated the 30th December 1926 and the accompanying report addressed to the President, I have been directed to say that according to your report, Membership of your Sabha extends to other castes, namely, Kayastha, Khattries, Gowda-bhramins etc., This is in direct controdiction to the Rules of the Kshtriya Maha Sabha the membership of which is exclusively confined to pure Kshtriyas. The Previous Authorities, if any, are based upon the supposition that your Sabha is composed of pure Rajaputs only. Since your composition is very general embracing Non-Rajaput castes as well, I am sorry to inform you that the former Authorities, if any, being based upon incorrect and insufficient information are invalid.

Will you please let me know on what facts and allegations you obtained the Authority regarding your Sabha's recognition by the Kshtriya Maha Sabha, sending copies of the correspondence.

Yours Faithfully,

Sd/- Gyansimha.

¶ **Introduction:-**It is a patent fact that the downfall of the Rajaputs, their Empires, and their civilization is mainly due to their negligence towards "knowledge"—the power which sows the seeds of Sociality and unanimity. Literacy is of secondary importance to a Rajaput. It is true that sword is mightier, but it may well be remembered that pen is equally mighty. History informs us that a Rajaput armed with a sword fiights well, but if armed with a sword and a pen, success is sure. It is also admitted on all hands or there can be no two opinions that Rajaputs as a class are little trained to be social, ie. The feeling of brotherhood, the root, branch, and twing of "unanimity" is absent on account of peculiar, eccentric circumstances that are known to every Rajaput and that do not require any narration here.

The idea of a common central "Rendezvous" meeting place is very keenly felt by one and all (Rajaputs), where the pains and gains of everybody life are easily forgotten, views and ideas exchanged, better manners learnt, and civilization increased, thus strengthening the bonds of unanimity. Every one feels that there should be such a place, and every one knows that such a place is a necessity and not a luxury.

It is with the idea of paving the way for future betterment (i.e. sowing the seeds of sociality and unanimity) that this attempt has been made, which needs the hearty cooperation of every Rajaput, young and

¶ By M. Narayanasingh—Mysore.

old, rich and poor, the educated and the uneductaed, the earning and the non-earning alike.

Having studied this question carefully in all its aspects, it is opined that the hearty co-operation of every individual Rajaput is quite essential and a necessity, because, some are capable of rendering their personal services, some others their pecuniary services, while others can conveniently be on the advisory board. Thus it will be seen that the help of every individual Rajaput is a necessity.

It is earnestly hoped that this long felt necessity will meet with the due encouragement it deserves at the hands of all Rajaput Residents of Mysore, thus giving an opportunity for training the younger Rajaput generation in the brotherhood of man and fatherhood of God.

OFFICE OF THE SECRETARY 7. 4. 1927 REPRESENTATIVE ASSEMBLY LEGISLATIVE COUNCIL

From

A.K.Syed Taj Peeran, Esq., B.A.,

Deputy Commissioner, Kolar District.

To

B.Nagappa, Esq., Bar-at-Law.,

Secretary to the Government of Mysore,

Law Department, Bangalore.

Sir,

With reference to your letter No.4005-12 dated the 18th ultimo requesting to report whether the marginally noted associations are

1. The K.G.F.Mining Board.
2. The Audi Dravida Jana Sabha, K.G.F.,
3. The sericultural Association at Sidlaghatta.

functioning properly etc., I have the honour to state that the Special Magistrate, K.G.F, reports in his D.O.letter No.484 dated the 2nd instant that the Mining Board is run on excellant lines and that they are thinking to request Government to nominate Col.Keith, Superintendent of Balaghat Mines.

He also states that there are more than six thousand Budhists who are all practically converts from the depressed classes and as such - suggests that one among them may be given a chance and suggests that their high priest Swami Jeenavemsu may be selected to represent them. Agreeing with him I recommend that the Swami Jeenavemsu may be nominated to the Representative Assembly this year.

The Audi Dravida Jana Sabha is also reported to run on good lines and that Mr.Poosamy was nominated last year and that he is not anxious to get nominated again this year.

A copy of the said letter of the Special Magistrate is herein - enclosed for perusal.

As regards the Sericultuaral Association at Sidlaghatta it is - reported that the Association is working properly but it is learnt

that the Association is not working so satisfactorily as it ought to. If there be no Sericultual Association possessing greater -- influence in sericultural centres and working more satisfactorily and has an extensive membership, the President of this Association Mr. Hampiah, may be nominated to represnt this one of the most -- important industry of our State.

As regards representations of minor interests, I beg to recommend one of the two gentlemen noted in the margin may be nominated.

1. Mr. A. Venkatarama Boyi of Sidlaghatta belonging to Besthar Caste.
2. Mr. Dodrajappa of Sidlaghatta belonging to Gollar caste.

I have the honour to be,
S i r,
Your most obedient servant,

Deputy Commissioner,
Kolar District.

D.O.letter No.431 dated 2-4-27 from the Special Magistrate, K.G.F. to the Deputy Commissioner, Kolar District.

With reference to your D.O. letter No.A.2.C.1539/26-27 date 21st March 1927 and the subsequent reminders thereon, regarding the working of K.G.F. Mining Board and Adi-dravida- Jana Sabha, I write to submit that the former institute is the chief Executive Body of the K.G.F.. It is run on excellent lines.

As regards the latter institute, it is also run on good lines. Last year Mr.Poosamy was nominated to represent the Depressed Classes in the Fields. I learn that he is not anxious to get a nomination again this year.

There are a large number of Buddhists in the Fields. They have got two institutions in the Fields, with a total membership extending over six thousand. These Buddhists are all practically converts from the Depressed Classes and I think they may also be given a chance of representation. If an additional seat can not be given to them they may at least be nominated alternately with the Adi-dravidas and Adi-karnatakas. Last year a person was chosen to represent the Depressed Classes for the Fields and this year I submit a person may be selected to represent the Buddhists.

The Buddhist High Priest in the Fields, viz., Swami Jeenavemsu of South Indian Sakya Buddhists Society, Champion Reefs, is, I submit the best fitted person to represent these Buddhists.

I learn that the K.G.F.Mining Board are thinking of requesting Government to nominate Col.Keith, Superintendent of the Balaghat Mine to the Representative Assembly this year. He is also elected as a Chairman of the Mining Board this year.

OFFICE OF THE SECRETARY 9 APR 1927 REPRESENTATIVE ASSEMBLY AND LEGISLATIVE COUNCIL

OFFICE OF THE DEPUTY COMMISSIONER, CHITALDRUG DISTRICT.

Dated Chitaldrug...7th...April.....1927

FROM

The *Deputy Commissioner,*
Chitaldrug District.

To

The Secretary to Government,
Law Department, B A N G A L O R E.

Sir,

With reference to your letter No. 4005-72 dated the 18th March 1927 calling for a report regarding the working of the marginally noted associations &c., I have the honor to state that it is reported that the associations Nos. 1 to 4 have been doing good work. I therefore recommend that they may continue to enjoy the privilege already granted to them, for the next triennium.

1. The Panchama Association, Chitaldrug.
2. Young Men's Muslim Association, Chitaldrug.
3. Anjuman-e-Himayut Islamia, Molakalmuru.
4. Arya Kshatriya Samaj, Chitaldrug.
5. Anjuman-e-Mufidul Islam, Chitaldrug.
6. Anjuman-e-Minul Islam, Molakalmuru.
7. Anatha Veerasaiva Asspciation, Holalkere.

As regards No. 5, the Amildar, Chitaldrug Taluk, reports that it is active and doing useful work in promoting the education of the Mahomedan community. I am of opinion that this association may also be given the privilege of returning a member to Representative Assembly.

With regard to No.6, the Amildar reports that though it is doing a fair amount of work it is not in such a flourishing condition with regard to finance and influential membership, as No.3. My predecessor Mr. S. Venkatrangam has reported with No. A-5.C.2340 of 26-27 dated 6th October 1926 that the recognition of this association was not desirable as there was already an association recognised in the same Taluk. This association (No. 6) has however been repeatedly urging its claims for recognition by Government. Taking ~~all~~ these circumstances into consideration, I recommend that all these

institutions Nos. 2, 3, 5 and 6 may be grouped together under Rule 23(e) published in Government order No.1367-1426/C.B. 100-23-1 dated 27th October 1923 and granted the privilege of sending two representatives to the Assembly, as before.

As regards No. 7, it may be stated that it has not been registered under the Mysore Societies' Registration Regulation as required by rule B of annexure to Government order No.P.2395/Legis.12-23-2 dated 7th November 1923. But it seems to be doing useful work in the field of Education and may be granted the franchisement as a special case, if Government are so pleased.

I have the honor to be,

SIR,

With reference to your letter No. 4005-12 dated 18th March 1927 calling for a report on the working of certain associations, I have the honor to forward herewith copy of letter No. P.R. 495/26-27 dated 28th instant received from the Treasury Assistant Commissioner, Tumkur furnishing a report on the working of the -- associations referred to in your letter under reference.

2. I agree with the Sub Division officer. Agni Vamsa - Kshatriya Sangha is doing some useful work in promoting education among the members of that community and has recently been given the privilege of electing a member to the District Board. Prani Daya - Pracharaka Sangha has been started with the object of preventing cruelty to animals and securing the avoidance of cow slaughter. The association has a very influential membership and is doing work on organized lines. It appears to have a good and useful future before it. Each of these associations may be given the privilege of - electing a member to the Representative Assembly.

I have the honor to be,

sir,

Your most obedient servant.

for Deputy Commissioner,
Tumkur District.

Letter No. D.R. 495/26-27 dated 28th March 1927 from the Treasury Assistant Commissioner, Tumkur District to the Deputy Commissioner, Tumkur District.

"

With reference to your memo No. Sl. 1491/26-27 dated 21st March 1927 forwarding letter No. 4005-12 dated 18-3-1927 from the Secretary to Government and enquiring in the associations noted in the margin x

---

1. Agnivamsa Kashatriya Sangha
2. Muslim Anjuman, Tumkur
3. Prandidava Pracharaka Sangha

) are functioning properly and whether the privilege of representation in the Assembly may be given to them, I have the honor to state as follows:--

I. Agnivamsa Kashatriya Sangha:- This association was started on 21-5-1924 and registered on 3-9-1924. It has got nearly 180 members, all from Thigalar caste, whose chief occupation is agriculture and vegetable gardening. Their object in forming the association is to spread and develope education among their caste people and improve their agricultural occupation by modern methods and this develope their society both morally and materially. For this purpose they have collected subscriptions to the extent of Rs 500/- the promised amount being Rs 2000/- They are holding monthly meetings and seem to be in earnest in really improving their class by spread of education among them. They belong to the backward class and deserve to be given the privilege of returning a member to the Representative Assembly.

II. Muslim Anjuman Tumkur:--

This association is reported to be maintaining a Hindustani school and a reading room by raising monthly subscriptions from its members. It is learnt that only a few of the Mohamedans have joined this association, their object being to inculcate religious truth among the younger generation of their community and it is also learnt that the association is in sympathy with both the Ahamadia - Anjuman Ishate Islam, Lahore and Khadiyani movement. As this is only a small association formed for some religious purpose and confined only to a few mohammadans it does not seem necessary to grant to the -- association the privilege of returning a meber to the Representative Assembly

III. Pranidava Pracharaka Sangha:--

This assoication was started on 16-3-1926 and was formed mainly for taking measures for the protection of cattle. The members belong to various sects of Hindu community and they have collected up till now a sum of Rs 6000/- as subscription. They have spent nearly a sum of Rs 2000/- in publishing pamphlets, denouncing the killing of cattle and in employing paid and honorary lecturers who go about to jatra and other places where men assemble and lecture to them about cattle protection or Gosamrakshana. They are doing good work in their own way and are keen about returning a member from their association.
